## Synchronize standing orders/stored search profiles with EMBASE ClassicFiles

1. Command:

**SBAS EM47;RD=1947 TO 1973**

→ Opens EMBASE (new segment starting from 1947)

→ Restricts the search to documents with release dates between 1947 and 1973

2. Command:

**RESTART SAVE=Name of standing orders/stored search profiles;C=NEW**

→ Calls the search profile or standing order with the above restricted release dates

→ Your search profile/standing order was newly processed for the years 1947 to 1973
